A generation of scrubber/dryers

More versatility, up to 30 percent greater productivity, better-than-ever reliability, extremely silent operation, and the most advanced ergonomics available.

The Nilfisk BA651/751/851 series represents a real innovation in the world of scrubber/ dryers and a concrete added value for cleaning professionals.

Now all the machines are equipped with the new Ecoflex system, which keeps the consumption control, but it also guarantees the possibility to boost temporarily water, detergent and brush pressure for all the more aggressive cleaning tasks. Green meets clean.

Never before has there been such an outstanding combination of modern ergonomic design, high performance and superb traction. This is the complete walk-behind unit for large area cleaning.

PRODUCT FACTS

- Ecoflex system: complete consumption control without any compromise with cleaning performance
- Ecoflex chemical kit, for automatic and accurate detergent mixing. Offered as an optional kit
- Extremely low noise level (down to 58 dB(A)) makes daytime cleaning viable
- Combination of 86 cm scrubbing width, 5.6 km/h speed, and large capacity tanks provide high productivity
- Sturdy construction, state of the art design and better materials offer more reliability and longer working life
- Interchangeable brush decks allow a choice of 3 different disc sizes or 71 cm cylindrical
